- (a) Calculate the capital of Amila's business.
- (b) Prepare the trial balance of Amila's business as at 31.12.2019

- (07) (i) (a) Name a source document that can confirm the transaction, "Issued a cheque to a creditor"  
(b) Write the journal entry to record a dishonoured cheque which had been received from a debtor and deposited the bank

(ii) The balance of the bank account of Ranjan's business was Rs. 21 000 as at 31.01.2020. But the balance of the bank statement was not tally. Later following reasons were revealed.

- bank charges Rs. 2 000 was not recorded in the bank account.
- Issued cheques Rs. 45 000 to creditors but it has been recorded in the bank statement as Rs. 38 000
- Direct debtors remittances Rs. 4 000
- Deposited but unrealized cheques Rs. 12 000
- paid insurance Rs. 3 000 on standing orders.

**required,**

- (a) Adjusted bank account for the month of January.
- (b) Bank reconciliation statement as at 31.01.2020

- (iii) (a) Name the prime entry book and the source document which is recorded the rectifying entries of accounting errors.  
(b) State 02 errors might be occurred if the Trial balance got equal in accounting process.

(iv) The Trial balance prepared by Ramanayaka's business as at 2019.12.31 was not equal and the difference Rs. 4 000 was transferred to the debit side of the suspense account. Later revealed following errors.

- A sales invoice Rs. 5 000 has been completely omitted from books.
- paid electricity bill Rs. 4 000 has not been recorded in electricity bill account.
- paid motor vehicle repair expenses Rs. 8 000 has been recorded in motor vehicle account.

**required,**

- (a) The suspense account.
- (b) Journal entries to rectify above errors.
