(10 marks)

(08) Read the passage and answer the questions.

(09)

A deer came to a pond to drink some water. The water was still and clear, so he was able to see his own reflection in the water. He looked at his legs. They were thin and skinny. With a sigh deer said "My "horns are beautiful and I am proud of them, but my legs are ugly. I am ashamed of them."

At this moment he saw a tiger coming towards him. He turned quickly and ran into the jungle. His legs carried him farther and farther away from the tiger.

While running, his horns got stuck in some low branches of a tree. He tugged and tugged. Luckily, he was able to free himself from the branches. He was nearly caught by the tiger because of his long and beautiful horns. but he could save his life thanks to his thin and skinny legs, "the deer realized."

bear	utiful horns. but he could save his life thanks to his thin and skinny legs, "the deer realized."
(1)	What is the deer proud of?
(2)	Why is he ashamed of his legs?
(3)	Who came towards him?
(4)	Could he save his life?
	$(2 \times 4 = 8 \text{ marks})$
(5)	Underline the correct answer.
	(i) He was able to save his life with the help of his (legs/horns)
	(ii) He got stuck to some (branches/roots) of a tree. $(1 \times 2 = 2 \text{ marks})$
Cor	mplete the sentences using the correct form of the word given in the brackets. The first one is
don	e for you.
(1)	The hall had beendecorated (colorful).
(2)	We must appreciate the(brave) of the soldiers.

(4)	The company holds their conference (annual).
(5)	She stepped into the room(quiet).
(6)	The students know that their teacher is(success).

(5 marks)

(10) Read the following poem and answer the questions given below.

Water is everywhere Every drop holds value, Every drop holds value, It's a necessity of life, Plants, animals and humans, All need it to survive. Our water is from streams, From mountains so high. Our water is from the rain that falls out of the sky. However, our water is quite limited. So we must learn to conserve, Turn our faucets off, when the water isn't in use Or have our time in the shower reduced. We should remember to conserve To ensure water for the future Because water is important Every drop holds value, Every drop holds life (1) Underline the correct answer. This poem is about, a. valuble b. water c. life (2) Who needs water? (3) What does the word "it" refer to in 2" stanza? (4) According the poem from where do we get water? (5) What is the advice given to the people in the poem? (6) Find similar words for the following from the poem. (i) tap	Water is everywhere	AVal	uable Drop	
Every drop holds life. We need water to live, It's a necessity of life, Plants, animals and humans, All need it to survive. Our water is from streams, From mountains so high. Our water is from the rain that falls out of the sky. However, our water is quite limited. So we must learn to conserve, Turn our faucets off, when the water isn't in use Or have our time in the shower reduced. We should remember to conserve To ensure water for the future Because water is important Every drop holds value, Every drop holds life (1) Underline the correct answer.
