Important:

- * Write your **Index number** clearly on the line given on the **reverse** of the answer script.
- * Ensure that your drawing is quite dry before you hand it over to the Supervisor. Wet drawings will stick to each other and it will be disadvantageous to you.
- * Water colour, poster colour, tempera, pastel or any colour medium that is not greasy and does not stick may be used.
- * All objects should be kept below the eye level. In case they are not arranged properly the candidates may remind the Supervisor about it before the exam begins.

Free Line Drawing and Pictorial Composition in colour

- * Observe the objects in front of you.
 1. First do your preliminary sketch using the rough paper given to you.
 2. Draw and colour the objects as you see. Use the given special drawing paper for this.
- * **Tie two drawings together and hand over to the supervisor.**
- * Please note that the following points will be considered when assessing your work.
 - **Study in free line**
 1. Your skill in handling the relevant media in your preliminary sketch on the rough paper.
 - **Colour Drawing**
 2. The objects should be composed artistically to suit the plane.
 3. Your understanding of scales of measure, perspectives and three-dimensional effects.
 4. Treatment of textural effects and showing characteristics of the given objects.
 5. Your skill in handling the colour medium.
 6. Suggestion of a suitable background and overall finishing.

N.B.

You are not expected to draw the whole board. You are free to adjust its measurements to suit the composition.
